General Information regarding sponsoring a Bachelor:

You may choose to arrange a date package for your Bachelor, using your own creative ideas and/or contacts and resources.
The date Package can be for two people or more.
Group dates or double dates can be a lot of fun.
If you wish to sponsor a bachelor but would like the committee to arrange a date package, we can do that. We will try to conform to Bachelor's interests.
Bachelor's must be 21 years of age or older and be willing to be interviewed first.
We are looking for a variety of bachelors regarding age, interests and occupations.
We are looking for high profile bachelors as well as the average guy.
Women only will be allowed to bid and /or purchase a bachelor and his date package.
We absolutely promise that we will not allow any bachelor to be humiliated by no one bidding on him. This seems to be the guy's greatest fear.
We are looking for bachelors who are good sports and clean up well.
Remember, this is for a very good cause.

**UCP United Cerebral Palsy of Central California serves
both children and adults with all sorts of disabilities
throughout our Central Valley**
